

"WHO'S WHO" BUSINESS INDEX

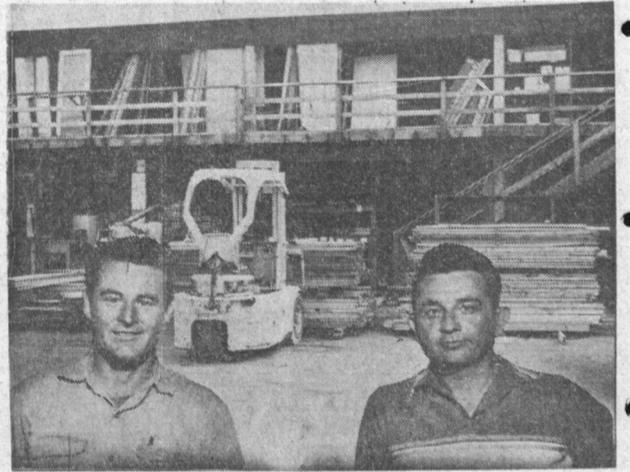

ALL-AMERICAN AWNING

Modern awnings for your home serve two functions. The first, of course, is that they will protect the interior from the hot rays and fading of the sun. The second is that they will add greatly to the attractive appearance of your home. The investment in modern awnings more than pays for itself over the years, for awnings of aluminum or vinyl last for years with no upkeep or replacement costs. You may shop around when you decide to install your awnings, but you will find that the best deal in the area is to be found at All-American Awning Co., 2346 W. Lomita Blvd., Lomita. Owner Dewey Brown offers the best of materials as well as the best prices to his customers. And what's more, all of the work done by All-American Awning Co. is guaranteed. They use Navaco Aluminum or Rigid Vinyl Awnings. Under FHA financing, you may take up to 36 months to pay. In addition to awnings, All-American Awning Co. builds patio covers, car ports, door hoods, and installs screen doors and vertical blind draperies. Estimates are gladly given free of charge, so call today, DA 6-5636, or stop in to see their interesting display at 2346 W. Lomita Blvd., Lomita.

SHASTA'S BEAUTY NOOK

Like a new look for the holidays? There is nothing like a new hair styling to lift a woman's spirits. A visit to Shasta's Beauty Nook, 1841 Torrance Blvd., Torrance, can give any woman the confidence that she is looking her very best, which will send her gaily into the holiday season. Shasta Underwood, owner of Shasta's Beauty Nook, has been in the business of making women more beautiful since 1942. She is thoroughly experienced and capable. Last January and February, just before she opened her shop at this new location (She was at 1612 W. Carson for four years), she went back to school at Flavel College for a course in advanced hair styling. At her new shop, she offers complete beauty care including tints, hair cuts, permanent waves, hair styling, and manicuring. She has everything, skill, talent and equipment, to create a lovelier you. For the convenience of her customers, there is off the street parking at the rear of the shop. Shasta's Beauty Nook is open from 9 a.m. Tuesdays through Saturdays, and evenings by appointment. Call Shasta's for your next appointment, FA 8-4880.

HERWOOD BUILDING SUPPLIES

A bulletin board, a new door, a new finish for a wall, a cement slab to start an outdoor living room, or even a whole new room to make the house more comfortable—any or all of these projects will be well started with a visit to Herwood Building Supplies, 24500 S. Normandie, Harbor City. Don Proctor and Verne Seuffert, owners of Herwood Building Supplies, buy, sell and trade new and used building supplies. They offer both new and used items in lumber, plywood, doors, windows and plumbing fixtures. They can possibly save you many dollars on your next building project. For your cement projects they have rock, sand and cement. Whatever you are planning to do with that versatile material, plywood, be sure to visit Herwood Building Supplies first! Their plywood selection is so extensive that Proctor and Seuffert can truly be called plywood specialists. Delivery is included among the services offered at Herwood, and their hours are convenient enough to suit everyone, contractors and "do-it-yourselfers" alike. They are open seven days a week from 8 a.m. to 5 p.m., except on Sunday when they are open from 9 a.m. until 1 p.m. Before starting your next building project, be sure to visit Herwood Building Supplies, 24500 S. Normandie, Harbor City, or call them at DA 6-5146.
